Dear **[Friend's Name]**

In honor of the holidays, I'm finding ways to give back to our community, I'm starting a fundraiser drive for Treehouse, Washington State's leading organization that ensures all youth in foster care have the educational opportunities they need to thrive.

Treehouse offers both educational support and access to material resources, because it's hard to think about grades if your needs aren't being fulfilled.

Fundraisers like mine will ensure that Treehouse can continue to serve over 5,000 children, youth, and young adults annually. It's especially important now, because they are one of the organizations that lost funding in the 2025 state legislature decisions.

Here's how you can help! Donate to my fundraiser at **[Your Page Link]**.

Join me in spreading more cheer this holiday season!
