

iFoster has partnered with Tutor.com to offer free online tutoring for any youth in foster care in Washington State who does not have access through their local library.

Tutor.com is an online platform that provides academic supports to students in grades Kindergarten through college.

Supports Provided:

- 1) Live tutoring in up to 40 subjects
- 2) Prep support for a variety of high school, college access and college exams: AP tests, SAT, ACT and grad school exams
- 3) Submit a paper for review
- 4) Drop off a math question
- 5) Take practice exams in a variety of advanced subjects

How to Access Tutor.com

1) You can only access this service through a participating school or library. Check with your local library to explore if they provide free access to tutor.com.

2) If your local library provides access to tutor.com, you will need to get a library card or an e-card. To obtain an e-card you must go to your library website and fill out an application or visit your library for a physical library card to access tutor.com.

Not all libraries provide access to free tutoring. **If your local library does not offer free tutoring, you can access it by using these following steps:**

Step 1: Copy & paste this link into your internet search browser:

<https://lhh.tutor.com/?ProgramGUID=77ab05c8-a33f-4fe1-b980-5389b3c7090a>

Step 2: You will now be on the home page of tutor.com and will be asked to enter your library card number and pin number to log-in.

Type ECARD0221845 as the library card number and 7015 for the pin number

Step 3: You will be logged into tutor.com, and can click on any tab to get the support you need.

If you want to "Get a Tutor Now", follow these steps:

Step 1: On the "Get A Tutor Now" page you will be asked the following questions: what topic you need help in, the subject you need help in, and what grade you in. Please answer all questions and click next

Step 2: You will now be asked for your zip code.
Please enter: 90201 and click next

Step 3: You will be asked which library are you in, please select the Home Access Tab and click next

Step 4: This is the last step before you will be connected with a live tutor. You need to ask a question for the tutor. For example, you can enter a math problem from your homework you need help with. You will enter the question and click on the tab Connect Now, and a live tutor will be there to connect with you.
