Subject: Your Support is Needed - Make a Difference for Youth in Foster Care!

Hi [Friend's Name],

I'm reaching out with some exciting news—I've recently teamed up with Treehouse, a fantastic nonprofit dedicated to supporting youth in foster care throughout Washington.

Treehouse goes above and beyond by providing essential resources like clothing and school supplies, funding extracurricular and school activities, and tailored one-on-one weekly coaching for academic success and the transition to adult independence. What's even more impressive is that they expanded all their programs statewide last year, ensuring that no matter where a young person in foster care is, they can access the support they need.

To further this incredible cause, I've initiated a [fundraiser/drive] to support Treehouse in continuing their vital work. I'd love for you to join me on this journey!

Your contribution, no matter the size, makes an impact. It directly fuels crucial educational support and funds identity-developing experiences for kids statewide. Together, we can level the playing field for youth in foster care.

Supporting is easy! Just [insert link to your fundraising page and/or your drive details]. Let's create positive change together!

Thank you for considering joining forces with me in supporting youth in foster care across Washington. Your generosity will make a lasting impact.

Warmest wishes,

[Your Name]
